

EVENT REPORT

Title of Event: DC.7.2 LOCAL FOCUS GROUPS EVENTS year 2 - Municipality of Forlì (IT)

Date & Place of Event:	The Local Focus Group Events held in year 2 took place virtually in two sessions: on the 23 rd of June 2020 and on the 3 rd of July 2020
Partner/s Involved:	Municipality of Forlì Members of the Municipal Council of the City of Forlì Local technical designers and architects
Relation to Project:	<u>23rd of June 2020 - Members of the Municipal Council of the City of Forlì</u> The first session was addressed to the Members of the Municipal Council of the City of Forlì and concerned the tools for the establishment of the next SECAP, the discussion about the involvement of the local stakeholders and the presentation of the Regional indicators for the monitoring of the measures of mitigation and adaptation. During the meeting was projected the video “Anche Domani” produced to communicate the commitment of the Municipality into the energy and environment issues and to engage the participant into the local energy planning. <u>3rd of July 2020 - Technical conference “PAESC: Activities and opportunities for the environment and the territory”</u> The second session had the shape of a technical conference dedicated to the local professional designers and architects in the field of energy and environment. The event was titled “PAESC: Activities and opportunities for the environment and the territory” and gave the possibility for the acknowledgement of professional credits.
Topics tackled and description of links to deliverables/outputs	The meeting was held online and the several summoned experts had the chance to explain the aspects related to their field of activities of the many new profitable actions and the opportunities of working for the energy and environment in the frame of a Municipal SECAP. The contributions covered a wide spectrum of benefits from the administrative side, the technical point of view, and even the legal awareness. During the meeting was projected the video “Anche Domani” produced to communicate the commitment of the Municipality into the energy and environment issues and to engage the participant into the local energy planning.
Expected effects and follow-up,	Engagement of administration and territorial stakeholder
