Gradimo na izkušnjah in znanju

Triletni bilateralni projekt LQ-CELIAC, sofinanciran s programa teritorialnega sodelovanja med Slovenijo in Madžarsko (SI-HU).

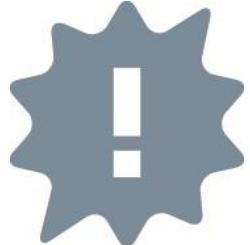

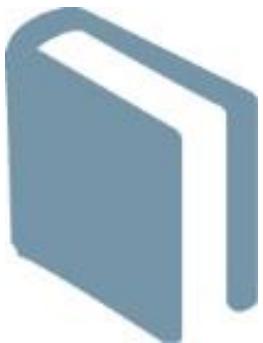

Glavni cilj: izboljšanje kvalitete življenja bolnikov s celiakijo na obmejnem območju.

Partnerji: MOM, Univerzitetne bolnišnice in društva za celiakijo obeh regij.

O PROJEKTU FOCUS IN CD

Innovative patient centered health care services - advantages of establishing a close CE network in coeliac disease patient health care.

1. poziv programa Interreg Central Europe

- prijavljenih 800 projektov
- v drugi krog sprejetih 100
- potrjenih 30 projektov
- za sofinanciranje izbran **samo en projekt** s področja javnega zdravja

Po več kot letu dni priprav smo 1. junija 2016 začeli z izvajanjem projekta.

PROGRAMME PRIORITY AND SPECIFIC OBJECTIVE

Programme priority 1: Cooperating on innovation to make CE more competitive

Program specific objective 1.2:

To improve skills and entrepreneurial competences for advancing economic and social innovation in Central European regions

Gre za izboljšanje oskrbe bolnika s celiakijo

- z inovativnimi oblikami izobraževanja zdravstvenega osebja in bolnikov,
- z uvajanjem socialnih inovacij v javno zdravstvo,
- z uvedbo modela celostne obravnave bolnika s celiakijo.

Zdravo in aktivno staranje prebivalstva.

Celostna obravnavava kroničnega bolnika

ANKETIRANJE BOLNIKOV IN ZDRAVSTVENEGA OSEBJA

Želeli smo pridobiti podatke o:

1. Znanju bolnikov
2. Znanju zdravstvenega osebja
3. Diagnostičnih zamudah
4. Vodenju celiakije
5. Zadovoljstvu bolnikov

The screenshot shows the opening page of a survey titled "WELCOME". At the top left is the Interreg Central Europe logo with "Focus IN CD" underneath. To its right is the European Union flag and the text "European Union European Regional Development Fund". Below the header is a yellow bar containing the word "WELCOME". A progress bar is visible below the yellow bar. The main text on the page reads: "This questionnaire is conducted within the project [Focus IN CD](#) co-financed by the European Union Regional Development Fund - Interreg Central Europe. One of the goals of the project is to assess the current practices in the management of Coeliac Disease. Therefore, we rely on your feedback! We kindly ask you to carefully read all the questions and answer them to the best of your knowledge. Your answers will significantly contribute to the achievement of goals set up by this international project." At the bottom right of the page, the text "Thank you for participating in our survey." is displayed.
