C) EVALUATION OF RESULTS

From **12** contacted Municipalities and Utility Companies we received **7 (58%)** confirmations by filled applications from persons who were chosen from contacted Municipalities and Utility Companies to attend training. Other **5 (42%)** from contacted are still in the process of thinking of applying, we did not get a rejection from any of the contacted.

D) NEXT STEPS

We are trying to win rest of municipalities for training but we are also going to send invitations to some other stakeholders interested in joining training.

Questionnaire will be sent to persons that confirmed participation in training.

The Workshop is planned for end of November, venue is Bračak Energy Center.
