

TAKING COOPERATION FORWARD

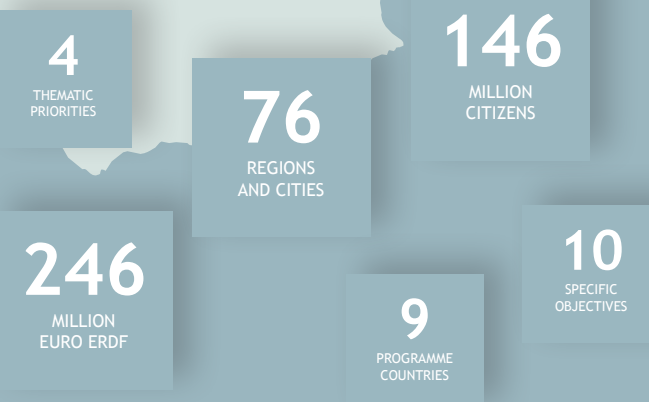

WHO WE ARE

We are a European Union funding programme that encourages cooperation in central Europe.

With 246 million Euro co-financing, we support institutions to work together beyond borders to improve cities and regions in Austria, Croatia, Czech Republic, Germany, Hungary, Italy, Poland, Slovakia and Slovenia.

We inspire and support cooperation on shared challenges in central Europe.

TAKING COOPERATION FORWARD

OUR FUNDING

Our second call for proposals will be open from **26 April to 23 June 2016**. In this call we offer around 90 million Euro co-financing from the European Regional Development Fund (ERDF) for the best transnational project ideas.

The co-financing rates in our programme reach up to 85 percent depending on the location of an institution.

Co-financing rates up to

With our funding we support projects tackling shared challenges in their cities and regions - related to either innovation, CO₂ reduction, natural and cultural resources or transport. More concretely, they build regional capacities through joint policy-learning, pilot actions and pilot investments.

Transnational partnerships can be formed by both public and private organisations. The minimum requirement for a project partnership is the participation of 3 financing partners from at least 3 countries.

Who can participate?

- Public authorities and related entities
- Regional development and innovation agencies
- Enterprises (including SMEs)
- Chambers of commerce and other associations
- NGOs
- Financing institutions
- Technology transfer institutions, universities and research institutes
- Energy suppliers and management institutions
- Environmental facilities
- Education and training organisations
- Transport operators and infrastructure providers
- ... and others

Following the first call for proposals we are currently supporting 35 new projects with around 70 million Euro. To apply in our second call full applications have to be submitted online until 23 June 2016. The funding decision is expected in spring 2017.

Version 06/2016

INNOVATION AND KNOWLEDGE DEVELOPMENT

We fund projects that cooperate:

To improve sustainable linkages among actors of the innovation systems for strengthening regional innovation capacity in central Europe

To improve skills and entrepreneurial competences for advancing economic and social innovation in central European regions

69

Million Euro
ERDF allocated

LOW CARBON CITIES AND REGIONS

We fund projects that cooperate:

To develop and implement solutions for increasing energy efficiency and renewable energy usage in public infrastructures

To improve territorially based low carbon energy planning strategies and policies supporting climate change mitigation

To improve capacities for mobility planning in functional urban areas to lower CO₂ emissions

44

Million Euro
ERDF allocated

NATURAL AND CULTURAL RESOURCES

We fund projects that cooperate:

To improve integrated environmental management capacities for the protection and sustainable use of natural heritage and resources

To improve capacities for the sustainable use of cultural heritage and resources

To improve environmental management of functional urban areas to make them more liveable places

89

Million Euro
ERDF allocated

TRANSPORT AND MOBILITY

We fund projects that cooperate:

To improve planning and coordination of regional passenger transport systems for better connections to national and European transport networks

To improve coordination among freight transport stakeholders for increasing multimodal environmentally-friendly freight solutions

30

Million Euro
ERDF allocated

DISCOVER OUR PROJECTS

We are currently supporting 35 projects in our four programme priorities.
