

# RELATIONSHIPS, COOPERATION AND COLLABORATION

- ❑ Constructive and effective relationships among partners and institutions
- ❑ Raising knowledge and competence to assist SMEs for the energy low-carbon transition
- ❑ Italian collaboration to strengthen the impact of FIRECE project

# INCREASING IMPACT OF PUBLIC INVESTMENTS ADDRESSED TO SMES

## 1. Assessment of public investments with the FIRECE tool:

- Regional Revolving fund analysis to share results with public actors
- Raising knowledge to increase the effectiveness of Chamber of Commerce's resources addressed to SMEs

## 2. Promising sector to support new entrepreneurship (Energy Saving Companies)
